

28 July 2009

InSight Systems Pty Ltd  
PO Box 6015  
St Kilda Road Central  
Melbourne Victoria 8008

To Whom It May Concern:

It is with pleasure that I provide this reference in respect to InSight Systems Pty Ltd.

The College has been using InSight Systems over the past 4 years to supply, install and maintain a range of Audio Visual Equipment across the College's three Campuses.

The equipment installed has included Interactive Whiteboards, Multimedia Systems, Video-Conferencing, and other related equipment.

On all occasions the College has been exceptionally pleased with the manner in which InSight Systems carried out the work. In particular, they have completed a large number of installations and met tight timeframes within the school holiday periods.

The work they have undertaken has been done in accordance with the College's specifications, and if an issue arises with the equipment installed, the matters are quickly resolved to the satisfaction of the College.

InSight Systems have also carried out after-sales service and support, and have always responded effectively to ensure the College's needs are met.

I would have no hesitation in recommending InSight Systems to any prospective customer based upon our involvement with the Company over the past 4 years.

If you require any further information, please contact me.

Yours Sincerely,

David Young  
Business Manager
